

Disclaimer and Copyright Acknowledgement by End Users

By purchasing the Pharmacy Practice Guidebook: Medical Billing, Coding, and Documentation for Pharmacy Professionals, you are agreeing to the conditions listed below.

Limitations of Use

Each purchase is intended for a single end user who can access the Pharmacy Practice Guidebook: Medical Billing, Coding, and Documentation for Pharmacy Professionals (guidebook) in digital PDF, iPad App, or Cloud Reader formats. Please be aware of the following limitations:

- **Guidebook can only be accessed in one format at a time.** While accessing the guidebook in three different format options is available, the end user can only view the guidebook in one format at a time. Accessing the guidebook in multiple formats simultaneously will result in the end user being disconnected from further use and denied access. Please contact LAD Custom Publishing at 877318-8800 if you need assistance.
- **The digital PDF can be downloaded THREE times. Please download the digital PDF to your device since access to the digital PDF will be limited.** While the digital PDF can be downloaded only three times, it can only be accessed in one device at a time. **Be sure to save your download!**

Tennessee Pharmacists Association Disclaimer (In Collaboration with the Washington State Pharmacy Association)

This guidebook is intended for licensed pharmacy professionals practicing within Tennessee. Pharmacy professionals outside of Tennessee should refer to their own state's laws, regulations, and scope of practice to determine if patient care services are reimbursable.

The Tennessee Pharmacists Association, through an agreement with the Washington State Pharmacy Association, acknowledge that the Washington State Pharmacy Association and the American Medical Association signed a distribution licensing agreement allowing use of the American Medical Association's *CPT Editorial Content*. The American Medical Association is the owner of all copyright, trademark, and other rights to CPT and its updates.

End Users do not act for or on behalf of the Tennessee Pharmacists Association or the Washington State Pharmacy Association. The Tennessee Pharmacists Association and the Washington State Pharmacy Association disclaims responsibility for any liability attributable to end user use of the CPT. The Tennessee Pharmacists Association and the Washington State Pharmacy Association will not be liable for any claims attributable to any errors, omissions, or other inaccuracies in the information or material contained in the guidebook. In no event shall the Tennessee Pharmacists Association or the Washington State Pharmacy Association be liable for direct, indirect, special, incidental, or consequential damages arising out of the use of such information or material.
